

Web-Based Character Education Surveys

This website supports the ShowMe Character™ The CHARACTER_{plus}® Way parent, staff, implementation, and student surveys and the Student Office Referral Form. It has been designed for user friendly electronic survey administration and collection of student referral information pertaining to healthy school environment and student pro-social behavior.

Your project can be listed on this site. There are two options.

Option A. Cost includes a set-up fee that is dependent upon the number of districts and/or schools included and a per response fee.

Option B. Data capture and reporting services provided as a single package.

What is provided?

Option A –

- Set-up of districts/schools based on unique District/School ID numbers and passwords
- Administration manual including ID numbers and passwords
- Comma delimited file for each survey or form used
- User specified open and close dates for surveys and forms

Option B –

- Set-up of districts/schools based on unique School ID numbers and Passwords
- Administration manual including ID numbers and passwords
- Comma delimited file for each survey or form use
- User specified open and close dates for surveys and forms
- District and/or school report using descriptive statistics and interval graphs

Additional statistical work can be contracted.

NCS student, staff, and implementation optical scan surveys are available for purchase as long as the supply lasts.
